

What We're About Here at Frankton First UMC

We reach out to our neighbors in need, whether they need food, shelter, a tank of gas, a shoulder to cry on, or to hear the *Good News* that Jesus loves them, and so do we.

We believe that there's a place for you at the First United Methodist Church of Frankton. No matter where you are or where you have been, we open our doors and our arms to you.

We invite you to join us in our mission: ***Building God's Community to make disciples of Jesus Christ for the transformation of the world.***

Missions >>>

Vibrant, fruitful, growing congregations practice *risk-taking mission and service*. This is a fundamental activity of our church life, so much so, that failure to practice it in some form results in a deterioration of our church's vitality and ability to make disciples for Christ.

Our church community strives to make a positive difference in the lives of others, showing them the love of Christ Jesus. It doesn't matter if they are or will ever be a part of our community of faith. This is where we put our work boots on and GO out into God's world to show His love for all and our love for them.

Welcome to the First United Methodist Church of Frankton

We don't keep the message of Jesus' gift of salvation for us in the church building. It's too important. We take His message out to people in the community. Whether it is Frankton, Madison County, the state of Indiana, or across the U.S. and beyond, we extend God's life-saving message to all!

Worship Services >>>

Our **traditional service** begins at 9:00 a.m. each Sunday.

Our traditional worship is held in the sanctuary with organ, piano, hymns, anthems and our praise team. The order for the service includes prayers, scripture, children's chat, the sermon, and other liturgical elements used to show our devotion and love for Jesus Christ.

The Factory's contemporary worship service begins at 11 a.m. on Sundays.

This service convenes in our community center, *The Factory*, located across the street from the church. Music is provided by the FACTORY Praise Band.

What sets these services apart is the more contemporary Christian worship songs that are sung as we give praise and thanks to Jesus Christ. Music includes our praise team, guitar players and drums. The children's chat and sermon follow.

Both services focus on our mission to: >>> **Build God's Community to make disciples of Jesus Christ for the transformation of the world.**

Our Tenderloin Dinners are held on the 3rd Saturday of March, June, August and October from 4 to 7 p.m. at The Factory. Thirty percent of the proceeds support a local organization or mission project.
